

# *It's Called Rape*

## **Script Preview**

**I know it may not be easy or comfortable to talk about sexual assault, but let me ask you this, how many of you would love to live in a world without sexual violence?** *(Hopefully all raise their hand or say yes)* **Me too, but how do we eliminate a problem we don't talk about?** *(We can't)* **You're right, we can't, so now I'd like to hear from you. Tell me what you know of sexual assault. When you hear those words what comes to mind?** *(Rape, someone forcing someone else to have sex. Validate answers and affirm those that apply)*

**Here is what I want you to keep in mind when you come across this subject; ALL sexual violence is about someone having POWER & CONTROL over someone else.**
